

## Sponsoring Students From Less Fortunate Backgrounds

Dear Parents, Past Pupils and Well Wishers,

St.Columba's has always opened its doors to children from all strata in society.

In 2016-17, we were able to educate 164 students under the EWS category and 221 students under concession.

Though the school gives a lot more free ships and concessions than it gets sponsorships for, the assistance of some parents, alumni and well-wishers has been instrumental in enabling the school to extend this facility to an increasing number of students.

Would you be willing to help in this effort ? If so,

- either
  - write a letter to the Principal expressing your intent
  - attach a crossed cheque in the name of "Principal, St Columba's School"
  - give both to your son's class teacher (ensure you get a receipt for the same within 2 working days)
  - please note your PAN card no., address and mobile no at the reverse of the cheque
- OR
  - Fill in the form below

Many drops make up the ocean. Whatever your contribution, it is a great help.

Contributions of Rs.10,000 and more shall be acknowledged in the 2018-19 diary.

Thank you for reaching out and caring,

Bro E V Miranda
